

Eva Hajiyeva

INTRODUCTION

O2

I am a high school student with a passion for software development, particularly in the areas of mobile software development and web development.

I am committed to continuous learning and staying up-to-date with the latest advancements in software development. I actively seek opportunities to expand my knowledge and gain practical experience in order to enhance my skills and contribute to the field.

SKILLS

O5

React Native Swift

2022.06 - 2022.09

Javascript Typescript

Medico

At medico.az, my role as a Website Developer I contributed to the design and development of an interactive web application, streamlining the process for users to order medicines for home delivery. Leveraging a mix of technologies like PHP, AJAX, jQuery, and MySQLi, I collaborated with the backend team to ensure the platform's efficiency and responsiveness.

React Node.js

Three.js PHP

Web Development Mobile Development
